

Matt Danner – Technical Sales
Mount Airy, MD

Matt holds a BA in Management from Hood College in Frederick MD, and an AA from Frederick Community College. He has participated in Dale Carnegie Sales training, is TJ Expert and TJ Beam Certified, and has taken CADD training courses. He has **11 years** of experience with SSI, and was a Project Manager and Inspector for the City of Frederick prior to joining us.

Favorite aspect of working for SSI? The SSI reputation in the marketplace. He enjoys golf, hunting and fishing, and specializes in wall panels, TJI floors, pre-engineered roof trusses. Matt serves MD, VA, Northern PA and DE.
